

«Non c'è nessun caso-Dia la sezione resta intoccabile»

Il responsabile nazionale, ieri in città, spazza via le ultime ombre

LINDA CAPPELLO

«Non esiste nessun caso Dia». Paroladi Alfonso d'Alfonso, responsabile nazionale della Direzione Investigativa antimafia, che ieri è tornato a ribadire come l'ipotesi di un'eventuale chiusura della sezione leccese sia del tutto priva di fondamento. Circostanza, questa, che era già stata esclusa nei giorni scorsi dall'onorevole Alfredo Mantovano. «La Dia sta continuando la sua attività di contrasto alla criminalità organizzata di tipo mafioso - ha spiegato D'Alfonso - è viva, forte, robusta e come tutti gli altri organismi continuerà ad attuare una serie di operazioni di polizia, ne preparerà altre ed avrà lunghissima vita».

D'Alfonso parla con ferma determinazione, dopo l'incontro con il procuratore capo Cataldo Motta fissato per le 16 di ieri pomeriggio al secondo piano

LA SODDISFAZIONE

«Qui stanno lavorando molto bene e hanno ottenuto brillanti risultati»

IL PROCURATORE Cataldo Motta

del palazzo di viale De Pietro. Ad accompagnarlo in procura il capo sezione della Dia di Lecce, colonnello Leonzio Ferretti, e di quella di Bari, colonnello Maurizio Pasquale Favla. È la prima volta che D'Alfonso viene a Lecce nelle vesti di direttore nazionale della Dia, carica ricoperta a partire dal primo luglio scorso. In occasione della trasferta leccese, il direttore ha avuto modo di visitare la sezione di via del Delfino e di incontrare il prefetto Giuliana Perrotta.

Direttore, come mai si era diffusa la notizia della possibilità di chiudere la sezione di Lecce?

«Non lo so, non ne ho la più pallida idea. Non riesco neanche io ad immaginare come possa essere circolata questa voce. Qui si continuerà a lavorare come sempre. La sezione di Lecce è intoccabile e, così come sostenuto anche

dal procuratore della Repubblica Cataldo Motta, ritengo che per contrastare efficacemente la criminalità bisogna insistere sull'acquisizione dei beni illeciti».

Si parla, quindi, delle misure di prevenzione patrimoniale. Come giudica l'operato degli investigatori leccesi?

«La sezione di Lecce è viva e brillante, sta lavorando bene ed ha già prodotto molti risultati. Storicamente, è ben "radicata" sul territorio. Riusciamo a controllare bene le dinamiche criminali, anche grazie al supporto della procura, che è sempre stata molto vicina al nostro organismo. Sia la sezione centrale di Bari che quella distaccata di Lecce stanno dimostrando di essere abbastanza efficienti, e credo proprio che proseguiremo su questa linea. Mi posso ritenere molto soddisfatto».

ed ad una cena al ristorante «Raw fish café» di Milano.

Spese non istituzionali che, comunque, sono state rimborsate dall'amministrazione comunale con 334 euro. La pena riguarda anche il reato di tentata violenza privata perché Ciardo avrebbe fatto pressioni e minacciato il dirigente del Servizio economico e finanziario del Comune per avere al più presto il rimborso.

Nell'aprile scorso, invece, i giudici condannarono Ciardo ad una pena ben più pesante (tre anni con l'accusa di peculato) per una cena pagata sempre in occasione della stessa trasferta milanese dell'importo di 173 euro.
